

Invision Systems

Attn: Raz
3617 West Devon Ave
Chicago, IL 60659

Dear Raz:

I just wanted to send you a short letter thanking you for our new security system that your company installed in both of our plants. Your installation team was very professional and courteous. Our maintenance team has assured me that they would recommend you to anyone.

Also, just for your information, our tools and small parts don't seem to leave our buildings anymore! The exterior of our buildings where cars and trucks are parked, has been incident free.

Sincerely,

Dennis Lewerke
